In order to keep our prices down we are trying to keep past due accounts to a minimum. Any bills more than 90 days past due may be sent to a collections agency, unless alternative payment plans have been arranged in advance. By providing your credit card information you allow us to charge your card for past due amounts, preventing your account from being sent to collections. You will receive a phone call or e-mail confirmation at least 48 hours before any charges are applied, allowing you time to contact our billing department at 253-770-4703 and make alternative payment arrangements if needed. All information will be kept secure. You may opt out, however if your account is not kept current you may be sent to collections.

Thanks.
